

Name: _____

Period: _____

Homework Evaluation

- Is stamped in as "on time" (completed before the homework review).
- Has a title (HW4A) and date.
- Has two columns, with complete reading notes summarizing every assigned section in your own words on the right. Shows a thorough understanding of the readings.
- Describes your level of understanding and asks questions about things you didn't understand in the left-hand column.
- Has complete and correct answers to *all* assigned questions and problems.

Student Teacher

Homework evaluation: _____ _____

- 5 All of the above items are completed. It is clear from reading the write-up that the writer understands the reading thoroughly and has expressed that understanding clearly. The write-up is in the correct format.
- 4 The write-up is missing one or more items above, or several of the items are incomplete or lacking depth. The write-up doesn't show an in-depth understanding of the reading or the problems.
- 3 The write-up is a minimal effort, showing that the writer did the homework but has not shown much understanding of the reading.
